

BIOLOGICAL PICKUP REQUEST FORM

SOUTHERN ILLINOIS UNIVERSITY CARBONDALE

If Biological pickup requests have been submitted and CEHS has not been by to pick them up from you within a week, please contact us at 453-7180.

Please note: Boxes should not exceed 50 pounds. Frozen items should be frozen at the time of pickup. It is the responsibility of the lab to package their own biological waste. Please place biological waste in a biological waste bag (double-bag when necessary, particularly for frozen items), tie the bag closed being sure that there is no moisture on the exterior of the bag or leaks, and then place in one of CEHS's biological waste boxes. Boxes with obvious signs of leakage or contamination will not be picked up.
